

XX Bridge Closing

Starting June 6, 2016, work will begin on the CTH XX bridge. The bridge is located North of CTH OT and South of Briggs Rd.

Traffic will not be able to get through while bridge is being worked on. A detour route will be in place for an alternate route.

Work is scheduled to continue through August 31, 2016

Please direct questions to the Project Engineer, Alex at 920-428-8572.
