Describe any record evidence, monument evidence, testimonial evidence or any other material evidence you considered and whether the monument was found or restored through acceptance of an obliterated evidence location.

I accepted the old occupied corner as the best available evidence of the original government corner position and monumented it with an iron pipe.

5/2/95 - We replaced the iron pipe with a brass capped Lunde marker and buried a wine bottle with it.

Describe or show any material discrepancy between the location of the restored corner and that of the corner previously restored or reestablished.
