

BED AND BREAKFAST ESTABLISHMENTS

A bed and breakfast establishment is a personal residence occupied by the owner where 8 or less rooms are provided for rent to customers for lodging and where the only meal served is breakfast.

Rules for bed and breakfast establishments are available at [Dept. of Health Services](#)

For more information on bed and breakfast establishments in Wisconsin or how to open your own B & B, visit the Wisconsin Bed and Breakfast Association. <http://www.wbba.org>

Bed and breakfast establishments are places of lodging that meet the following:

- 8 or fewer rooms for rent
- 20 people or less per night
- the building is the owner's personal residence
- the only meal served to guests is breakfast

The requirements for recreational and educational camps are outlined in Wisconsin Administrative Code, Chapter HFS 175.
