**SCHEDULING INSPECTIONS**

This office inspects all systems installed before backfill. Please notify this office as far in advance as possible, but no later than 9:00 a.m. the morning of the requested inspection. All paperwork must be turned in before inspection.

**SCHEDULING SOIL/SITE EVALUATIONS**

La Crosse County conducts on-site inspections for all soil/site evaluations. Please notify this office as far in advance as possible, but no later than 9:00 a.m. the morning of requested inspection. *All backhoe pits left unattended must be protected in such a manner as to prevent accidental entry and injury.*

CST is responsible for the following:

1. Ground surface contour lines on all site plans per Comm 85.40(3)d.
2. Provide the property Tax Parcel Number on the Soil/Site Evaluation report. This can be obtained from the La Crosse County Zoning/Planning/Land Information Office at 608-785-9722.
3. On-Site Inspection Fee. See schedule below. On-Sites will be returned if turned in without the proper fee.
