

Alzheimer's Support Group

I would like to invite you to come to the Alzheimer's Support Group. The group is open to the public and meets the last Wednesday of every month at 1:15 p.m. in the Sunshine Room at Hillview Health Care Center.

The group consists of husbands, wives, sons, daughters, sisters, brothers and friends of people who have some form of dementia. It may be of the Alzheimer's type or some other type.

The meeting is informal and the group is very friendly. We share experiences and ideas and learn from and support one another. No one is put on the spot to talk. It's okay to just listen. It seems to help just to know that you are not alone.

Please don't hesitate to call me if you have any questions. My name is Nicki Weissenberger. You can reach me at Hillview Health Care Center. The number is 789-4800.
