Provider acknowledges responsibility for collection and payment of social security and other payroll taxes and expenses associated with contracting services with Purchaser.
- B. Nothing contained in this Contract shall constitute or be construed to create a partnership or joint venture between the Purchaser and its successors or assigns and Provider and its successors or assigns. In entering into the Contract and in acting in compliance herewith, Provider is at all times acting and performing as an independent Provider, duly authorized to perform the acts required of it hereunder.
- C. The Provider shall ensure that staff providing services are properly supervised and trained and that they meet all of the applicable licensing and certification requirements.

If applicable, Provider agrees to bill and collect payment from other third party payers (Medicare, insurance, other health liability) prior to submitting bills to Purchaser. Purchaser will in this case be the payer of last resort. **This is not applicable to services authorized by the Comprehensive Community Services (CCS) program. With CCS, Purchaser is responsible for billing all third party payers and Provider should only bill Purchaser.**
- D. For services performed under this contract and provided to an eligible client, the Provider agrees to accept payments made by the Purchaser and/or any third party payers as payment in full and will not bill clients, Department of Workforce Development(DWD), Department of Health Services(DHS) or the Department of Children and Families(DCF) for amounts not fully paid by the Purchaser. This provision continues in effect even if the Purchaser becomes insolvent.
- E. Purchaser shall reject any claim that does not include the elements of a clean claim. Purchaser shall send the rejected claim back to the Provider for correction.
- F. Clean claims are those claims that are submitted to the Purchaser which are completely and correctly filled out, and do not require correction, editing or resubmission by the claiming agency (Provider)
Elements of a clean claim are as follows:
 - 1. Client Name
 - 2. Number of units of service provided by day or by month.

In filing a request for reconsideration or appeal, Provider shall clearly mark it as an "appeal" and indicate the Provider's name and address, date of service, date of billing, date of rejection, and reasons for Provider's request for reconsideration or appeal.

- B. If Provider wishes to dispute a CLTSW claims denial or claims payment, Provider will need to submit a claims resolution form to the Purchaser with supporting documentation (i.e. copy of Explanation of Benefits) and a reason for the request. When the review is completed, Purchaser will notify Provider of the result.
- C. Purchaser shall be notified in writing of all written complaints filed against the Provider, related to services performed hereunder. Provider agrees to fully cooperate with Purchaser in researching and resolving complaints and grievances regarding Provider's services. Such cooperation will include furnishing information to Purchaser within fifteen (15) working days of its request. If the Provider does not meet the fifteen (15) working day requirement, the Provider must explain why and indicate when the records will be provided. Purchaser shall inform the Provider in writing with their understanding of the resolution of the complaint.

IX. ACCESS TO SERVICES, PREMISES AND RECORDS:

- A. Provider must not create barriers to access of necessary services by any requirements it imposes. At Purchaser's request, Provider will submit to Purchaser any policies and procedures it develops that are material to providing services so that Purchaser is able to assure that barriers are not created.
- B. Provider certifies that services will be conducted in compliance with federal and state Civil Rights Compliance regulations. The United States Department of Justice and/or the State of Wisconsin retain the right to seek the enforcement of these regulations.

- B. Purchaser may withhold any new authorizations and/or admissions if Provider is found to be in violation of this contract

XI. LIABILITY OF PURCHASER:

Purchaser and Provider acknowledge that Purchaser has legal liabilities under its contract with various State and Federal agencies and that nothing herein shall relieve, or be construed to relieve, Purchaser of its obligations under those contracts. Any term in this contract that is later determined to be inconsistent with Purchaser's obligations under its contract with the above stated agencies, or that in any way terminates Purchaser's legal liability to the above stated agencies, shall become null and void.

XII. LICENSURE AND CERTIFICATION:

- A. If applicable, Provider shall maintain required licensure, certification, and/or accreditation during the term of this contract and provide evidence of such to Purchaser upon execution of this contract. If Provider fails to provide this to Purchaser, sanctions in Section X. Withholding will apply.

B. Provider shall immediately notify Purchaser of any changes or threatened changes to its Medicaid certification/licensure or other certification or accreditation.

XIII. EXCLUSION FROM STATE AND FEDERAL HEALTH CARE PROGRAMS:

Both parties represent and warrant that Provider and Purchaser and their owners and employees are not excluded from participation, in any Federal health care programs, as defined under 42 U.S.C. S. 1320a-7b(f), or any form of state Medicaid program, and to each party's knowledge, there are no pending or threatened governmental investigations that may lead to such exclusion. Each party agrees to notify the other party of the commencement of any such exclusion or investigation within seven (7) business days of first learning of it. Both parties shall have the right to immediately terminate this contract upon learning of any such exclusion and shall be kept apprised by the other party of the status of any such investigation.

XIV. QUALITY ASSURANCE/QUALITY IMPROVEMENT PROGRAMS

- A. Provider agrees to participate to the extent requested by Purchaser in Purchaser's quality assurance/quality improvement programs and procedures.
- B. Provider shall meet reporting requirements imposed by Purchaser for the purposes of reviewing and auditing Provider's performance under this contract and Purchaser's performance under its contracts with State and Federal agencies. Specifically, Provider shall timely provide all utilization data, in the agreed upon format by Purchaser, which is requested by Purchaser related to Provider's quality assurance/quality improvement programs and utilization review.
- C. Provider will participate in outcome measurements, as required by each service category. These outcomes will be reported on a quarterly basis in a format specified by Purchaser. If Provider fails to measure and report on outcomes, sanctions in Section X. Withholding will apply.

XV. SAFETY:

- A. Provider attests to meeting applicable OSHA requirements and similar state and federal laws. If requirements and laws conflict, Provider attests to meeting the most stringent.

XVI. INDEMNIFICATION:

- A. The Provider agrees to the fullest extent permitted by law, to indemnify, defend and hold harmless, the Purchaser, and its agents, officers and employees, from and against all loss or expense including costs and attorney's fees by reason of liability for damages including suits at law or in equity, caused by any wrongful, intentional, or negligent act or omission of the Provider, or its (their) agents and/or subcontractors which may arise out of or are connected with the activities covered by this Contract. Provider shall indemnify and hold Purchaser harmless from any award of damages and costs against Purchaser for any action based on U.S. Patent or Copyright infringement regarding computer programs involved in the performance of the tasks and services covered by this Contract.
- B. Purchaser agrees that it shall be responsible for any losses or expenses (including costs, damages, and attorney's fees) attributed to the acts or omissions of its respective officers or employees as they relate to this Contract.

XVII. INSURANCE

- A. Provider agrees that in order to protect itself as well as Purchaser and La Crosse County, its officers, Boards, and employees under the indemnity provisions set forth in the paragraph above, Provider will at all times, during the terms of this contract, keep in force insurance policies issued by an insurance company authorized to do business and licensed in the State of Wisconsin. Unless otherwise specified in Wisconsin Statutes, the types of insurance coverage and minimum amounts shall be as follows:
 - i. Workers' Compensation: minimum amount statutory

The Purchaser shall be given thirty (30) days advanced written notice of any cancellation or non-renewal of insurance during the term of this contract. Provider may list Purchaser as additional insured on the insurance policy.
- C. In the event of any action, suit, or proceedings against Purchaser upon any matter herein indemnified against, Purchaser shall within five (5) working days cause notice in writing thereof to be given to Provider by certified mail, addressed to its post office address. Purchaser shall cooperate with Provider and its attorneys in defense of any action, suit or other proceeding.

XVIII. AUDIT REQUIREMENTS (see Appendix 3 for specific requirements):

- A. The Provider shall submit **one** copy of an annual agency-wide or program audit to the Purchaser if the total amount of annual governmental funding through this and other contracts is \$75,000 or more.
- B. Providers with annual governmental funding through this and other contracts between \$25,000 and \$75,000 will be required to submit a copy of the “Vendor Statement of Revenue and Expense” outlined in Appendix 3. Providers may also submit an annual governmental audit in place of this Statement.
- C. Exception to requirement in XVIII.A. and B. above: Residential Care Centers or Group Homes licensed under DCF 52 and DCF 57, respectively are required to submit **one** copy of an audit to the Purchaser if the total amount of annual governmental funding through this and other contracts is \$25,000 or more. Audits are an essential part of the process for DCF’s claim to the federal government for Foster Care IV-E and Title XIX to help pay for care for children in these facilities who are eligible for those programs.
- D. The audit shall be in accordance with the requirements of OMB Circular A-133 “Audits of State, Local Government, and Non-Profit Organizations” (online at www.whitehouse.gov/omb/circulars) if the Provider meets the criteria of that Circular for needing an audit in accordance with that Circular. The audit shall also be in accordance with:
 - The State Single Audit Guidelines (<http://www.doa.state.wi.us/category.asp?linkcatid=1027&linkid=81&locid=167>), if the provider is a local government that meets the criteria of OMB Circular A-133 for needing an audit in accordance with that Circular or
 - The DHS Audit Guide (<http://www.dhs.wisconsin.gov/Grants/Audit/auditdept/index.HTM>), for all other providers.
- E. The Provider agrees to deliver to the Purchaser **one** copy of the resultant audit report or “Vendor Statement of Revenue and Expense” no later than 180 days after the completion of the Provider's fiscal year.
- F. With the exception of governmental entities organized under s. 59.01, 66.013, 38.01, 139.30, or 117.01, Wis. Stats., the Purchaser shall notify the Provider within 180 days of receipt of the audit completed by the independent auditor, whether or not the audit meets the requirements of the DHS/DCF’s audit guidelines.
- G. In the event that the Provider fails to have an appropriate audit performed, or fails to provide required financial reports as indicated in A. and B. above, to the Purchaser within the specified timeframes, the Purchaser will follow the appropriate steps in the Human Services Vendor Audit and Financial Reporting Policy which are:
 - 1. A reminder letter will be sent out to the provider if the audit report or “Vendor Statement of Revenue and Expense” is not received 180 days after year-end. An extension of up to 90 days may be granted at that time if the Provider submits the request in writing to La Crosse County

Human Services. The extension will be granted in writing from La Crosse County Human Services to the Provider.

2. If the provider's audit report or "Vendor Statement of Revenue and Expense" is not received by 270 (180 + 90) days after the Provider's year-end, the Provider will stop receiving payment for services until the Provider provides La Crosse County Human Services with the "Vendor Statement of Revenue and Expense" or an engagement letter from their auditor stating that they have begun the audit and it will be done within 90 days. At the time La Crosse County Human Services receives the required document(s) from the Provider, payment for services will resume and back payments that were held will be made within 45 days.
 3. If the Provider's audit report is not received by 360 (270 + 90) days after the Provider's year-end, the provider will stop receiving payment for services until the Provider provides La Crosse County Human Services with the audit report. If the Provider is required to do an audit and has not provided La Crosse County Human Services with an engagement letter from an auditor, La Crosse County Human Services will hire an auditor to perform the Provider's audit. The payments being held will be used to pay the auditor for the audit, not to exceed a predetermined hourly rate multiplied by the number of hours reported by the auditor. At the time when La Crosse County Human Services receives the Provider's audit report, payment for services will resume and back payments that were held will be made within 45 days. La Crosse County Human Services will subtract the amount LCHS paid to the auditor from the amount owed to Provider.
 4. If the Provider's audit report or "Vendor Statement of Revenue and Expense" is not received by 540 (360 + 180) days after the Provider's year-end, La Crosse County Human Services will serve the provider with a 60-day written contract termination notice.
- H. When contracting with an audit firm, Provider shall authorize its auditors to provide access to applicable work papers, reports, and other materials generated during the audit to the appropriate representatives of the Purchaser and the DHS/DCF/DWD. Such access shall include the right to obtain copies of applicable work papers and computer disks, or other electronic media, upon which records/working papers are stored.
- I. Since contracts with group homes and child caring institutions for out-of-home care for children AND adult family homes and CBRF's for residential care for adults constitute a vendor relationship, they are not subject to OMB Circular A-133, although these agencies may still need to have A-133 audits if they are non-profit and if they expend more than \$500,000 in federal awards for other activities. Therefore, group home, child caring institutions, adult family homes and community-based residential facilities will typically need to have audits in accordance with just the provisions of the DHS Audit Guide.
- J. If Provider feels that a waiver of the audit requirement should be granted, Provider must initiate the waiver request before the Purchase of Service Contract is signed by the Provider. Providers of goods only are not required to submit an audit report.

XIX. ELIGIBILITY STANDARDS FOR RECIPIENTS OF SERVICES:

Provider and Purchaser understand and agree that the eligibility of individuals to receive the services to be purchased under this contract from Provider will be determined by Purchaser. An individual is entitled to the right of an administrative hearing concerning eligibility and the Purchaser shall inform individuals of this right.

XX. CONDITIONS OF THE PARTIES OBLIGATIONS:

- A. This contract is contingent upon authorization of Wisconsin and United States laws and any material amendment or repeal of the same affecting relevant funding or authority of the Wisconsin Department of Health Services, Department of Children and Families and Wisconsin Department Workforce Development shall serve to terminate this contract, except as further agreed to by the parties hereto. This contract is not assignable by Provider either in whole or in part, without the prior written consent of Purchaser.

- B. Provider must be in compliance with the provisions and requirements of Title 2 CFR Part 200 http://www.ecfr.gov/cgi-bin/text-idx?node=2:1.1.2.2.1&rgn=div5#_top.
- C. Nothing contained in this contract shall be construed to supersede the lawful powers and duties of either party.
- D. It is understood and agreed that the entire contract between the parties is contained herein, except for those matters incorporated herein by reference, and that this contract supersedes all oral agreements and negotiations between the parties relating to the subject matter thereof.
- E. It is further understood, that if this contract was awarded pursuant to a Request For Proposal or Preferred Provider Solicitation Package, that the requirements in those solicitations, along with proposal from the Provider, shall be considered a part of this contract.
- F. Providers of services that are funded through grants, where the Purchaser is the fiscal agent, agree to abide by the Purchaser's travel policy's reimbursement rate structure.

XXI. CONTRACT SANCTIONS, REVISIONS, RENEWAL, AND/OR TERMINATIONS:

- A. In the event that Purchaser is audited and found to be in non-compliance with auditors' requirements relating to actions of the Provider (i.e. inadequate documentation, background checks, training hours, etc.), the Provider shall be held financially responsible for any cost to Purchaser as a result of auditors findings.
- B. Failure to comply with any part of this Contract may be considered cause for revision, suspension or termination.
- C. Revision of this contract must be agreed to by Purchaser and Provider by an addendum signed by the authorized representatives of both parties.
- D. This contract may be terminated or suspended due to deficiencies in quality or quantity of services. Provider shall notify Purchaser whenever it is unable to provide the required quality or quantity of services. Upon such notification, Purchaser shall determine whether such inability will require a revision or early termination of this Contract.
- E. If Purchaser finds it necessary to terminate the contract prior to the contract expiration date for reasons other than non-performance by the Provider, the Purchaser may compensate the Provider for an amount determined by mutual agreement of both parties.
- F. This contract can be terminated by 60-day written notice by either party.
- G. In the event that the contract is terminated or not renewed by either Purchaser or Provider, Provider agrees to cooperate in transitioning services provided to eligible clients under this contract to Purchaser or to another Provider designated by Purchaser.
- H. This Contract, or any part thereof, may be renegotiated in the case of 1) increased or decreased volume of services; 2) changes required by Federal or State law or regulations or court action; 3) monies available affecting the substance of this contract.
- I. The Purchaser reserves the right to cancel any contract in whole or in part without required notice and without penalty due to non-appropriation of funds by the State of Wisconsin, County of La Crosse or any other funding source.
- J. Chapter 50.03(14), Wis. Stats., governs the closing of a Community Based Residential Facility (CBRF). It states that, upon DHS approval of the facilities plan to relocate its residents (or the imposition of such a plan by the DHS), the facility must establish a closing date not earlier than 90 days from the date of DHS approval or imposition of the relocation plan when 5 to 50 residents will be relocated. This same statute also requires a minimum of 120 day period when more than 50 residents will be relocated.
- K. Annual rate adjustments for multi-year contracts will be made automatically following the July Consumer Price Index for Urban Regions (CPI-U).
 - 1. The rate will be determined from tables from the U.S Department of Labor-Bureau of Labor Statistics for the Midwest Urban region for areas of 50,000 or more.
 - 2. Should the CPI-U ever be less than 0%, the provider rates will stay the same as the current year. Should the CPI-U be more than 3%, Provider rates will go up 3%.

3. Automatic Rate Adjustments exclude services that are purchased at Retail Price, MA rates and reimbursement rates set by the State (i.e. children’s group homes/residential care centers, autism, etc.) Also excluded are contracted rates that include a total \$ amount not to exceed during the contract period.
4. Rates agreed upon for more than one year will appear in Appendix 1, if agreed upon at the onset of the contract period, or will be done through an addendum to the contract at the time the current period is ending.
5. If Purchaser and Provider fail to agree to these automatic rate changes, the contract will terminate at the end of the current period.

XXII. HIPAA COMPLIANCE

- A. The Provider agrees to comply with the federal regulations implementing the Health Insurance Portability and Accountability Act of 1996 (HIPAA) to the extent those regulations apply to the services the Provider provides or purchases with funds provided under this contract.
- B. If Provider is considered to be a “Business Associate”, as determined by the Purchaser, the Provider will receive a Business Associate Agreement under separate cover.
