

the Memory Café

A place for family, friends, and fun!

Drive Thru Cafés 2021

The Memory Café will provide fun & activity along a drive thru route. A memory café is designed for people living with memory loss, Alzheimer's & other related dementias and their care partners to enjoy regular, social interaction.

Masks encouraged, participants will remain in car & participate through the passenger window. Café is open to drive thru anytime during the 1 hour window, participants will circle the route until all activity spots have been visited and then sent on their way with a take home activity. Duration at the café will vary, dependent on attendance at the given time, but on average 20-30minutes. Enjoy a drive, visit us, and get outdoors after!
