August 2025 edition

The ADRC of La Crosse County's Caregiver Support Program (and Dementia Care Support Program) has been busy developing some upcoming educational opportunities and events. Please do not hesitate to contact the ADRC of La Crosse County if you are interested in learning more about the upcoming educational opportunities and events.

If you need respite to attend an event, the staff at the ADRC can support you in looking at respite options and possible funding for the respite. Hope to see some new faces at these events!
