

Safe Disposal of Needles and Other Sharps

*The safest way to dispose of a used needle is to immediately place it in a sharps disposal container to reduce the risk of needle sticks, cuts, and punctures from loose sharps. **NEVER** throw away loose needles and other sharps in trash cans or recycling bins, and never flush them down the toilet.*

Household Users

Where can I dispose of my sharps?

Household generated "Sharps" including needles, syringes, and lancets are accepted at the La Crosse County Household Hazardous Materials (HHM) facility free of charge from La Crosse County Residents. 3202 Berlin Drive, La Crosse, WI 54601; 608-785-9999

How do I turn my sharps into HHM?

Sharps must be brought to HHM in approved containers. The only acceptable containers are: a registered, red "Sharps" container or a thick plastic laundry detergent bottle with a screw type cap. Detergent containers should be labeled with the word "SHARPS" using black, permanent marker.

Are there outdoor sharps containers that I can use?

The City of La Crosse has 2 outdoor sharps containers that are available for the public to use. These containers are a safe collection option for all needles and syringes.

1. North Side: Near the boat ramp behind Hardee's
2. South Side: In the Jay Street alley between 4th and 5th Streets

Where are the other sharps collection stations in my area?

Besides dropping your household sharps off at HHM, there are 6 other sharps collections stations in La Crosse County. Call for more information on availability, accessibility, and limitations.

1. La Crosse Police Department, 400 La Crosse Street, La Crosse, 608-789-7738
2. Gundersen Lutheran Medical Center, 1900 South Ave, La Crosse, 608-775-3735
3. Mayo Clinic-Franciscan Health, 700 West Ave S, La Crosse, 608-785-0940
4. Cass St Medicine Shoppe, 510 Cass St, La Crosse, 608-784-9922
5. Service Drugs, 111 Sand Lake Rd, Onalaska, 608-775-8595
