5. SIGNIFICANCE of the site, property or event to be nominated:  
Include date of construction, builder/architect, all specific dates.

Statement of Significance: State why the site, property, or event is significant: what significant events occurred there, who was associated with the property, what features the property has that make it significant, etc. Document all statements of alleged fact with full and complete footnotes. Use additional sheets if necessary.

Since Welsh immigrants were the first to settle and name the village of Bangor, it is significant that a building built in 1859-60 of materials hauled by ox-cart from LaCrosse, to serve as a Welsh Calvinistic Methodist Church is still in reasonably good condition. Church services were discontinued in 1917.

6. DESCRIBE the present and original (if known) appearance or condition of the property or site to be nominated:  
Include your opinion of National Register eligibility.

See photo.

It is currently used as a warehouse by the present owners.
