

- **24 people on the Pathways to Housing list were housed in October**—thank you Pathways Conferencing participants and our community network! Our current focus is on people who have lower barriers to housing and people who have been experiencing homelessness for fewer than six months.
- The Pathways Home team reviewed and scored **9 Specialized Housing Proposals**. Our funding recommendation was provided to the Economic and Community Development Commission and the La Crosse City Council for the final award decision.
- The 2025 budget for La Crosse County proposes **adding 3 additional social workers and 3 peer support specialists** to help people coming from homelessness find and maintain housing and support services.
- **Congratulations to the REACH Center for 3 years of community service!** The REACH Center is a key entry point in our system to connect unsheltered individuals and families to case management, shelter or housing, and other resources tailored to their specific needs.
