HUMAN SERVICES DEPARTMENT AND BOARD UPDATES

HHS Board Update: Dillon Mader shared that, at its last meeting, the Health & Human Services Board heard a presentation from the Health Department regarding hemp derived THC products and youth access. Although the 2018 U.S. Farm Bill makes these products legal, Wisconsin currently has no state-level restrictions on dosage, testing requirements, licenses to sell, or age limits. The presentation and discussion thereafter included potential strategy and next steps to address this subject within the county.

HS Director Update: None at this time.
