

Read Beyond the Beaten Path

Kindergarten through 5th Grade Reading Record

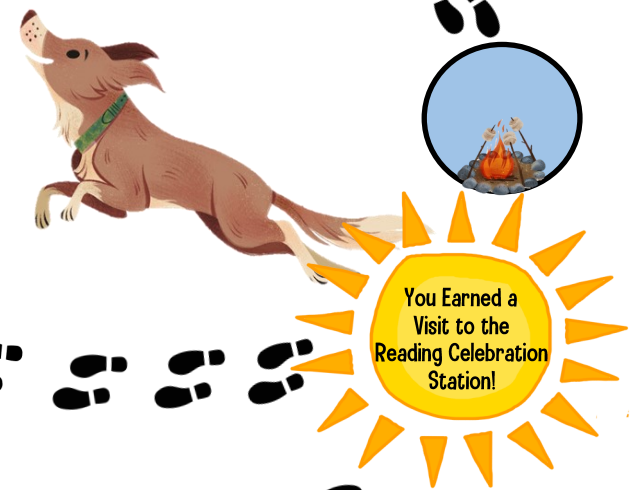

My reading goal for each  is:

(See other side for suggested goals.)

Mark off a set of footprints each time you meet your reading goal. Complete five activities from the list on the other side, and write the activity number in a circle with a campfire.

Follow the footprints to create your summer trail!

Turn in this Reading Record and visit the Reading Celebration Station to collect your book and Ice Cream Party Ticket!

How Do I Participate?

- 1) Register on our website lacrossecountylibrary.org or at any of our five locations.
- 2) Set your reading goals. See below for examples, but feel free to be creative and do what works for you!
- 3) Read and enjoy visits to the Reading Celebration Station, where you'll find reading rewards based on where you are on the trail.

**Watch our website and social media sites for up-to-date information on programs.*

Reading Goal Examples

The key is to encourage library usage and reading throughout the whole summer, not to complete the Reading Trail in one week — or not be able to finish at all.

by Time?

- Be read to ____ minutes a day.
- Read for ____ minutes a day.
- Read ____ minutes to my grown-up and they will read ____ minutes to me.
- Read ____ minutes this summer. (Divide by 55, the number of footprint sets, to determine a daily minute goal.)

by Book?

- Be read ____ picture books a day.
- Read ____ chapters a day.
- Read a different type of book for every section along the trail as you go. (mystery, sci fi, historical fiction, nonfiction, etc.)
- Read ____ pages a night.
- Read ____ books this summer. (Divide by 55, the number of footprint sets, to determine a daily book goal.)

OR - Come up with your own!

Activity* List:

Complete five activities* from the list below. Write the number of each completed activity in one of the blue campfire circles on the other side of this Reading Record. **They can be completed in any order.**

1. Create a diorama and a description of the scene to display at the library. It can be a forest, underwater, desert, jungle, or other scene.
2. Sing an animal song (You can write your own!) about a pet or a wild animal. You can have someone record it for you or sing it live!
3. Listen to an audiobook, or read a book on Overdrive or Hoopla, our digital library apps.
4. Write a story or comic strip about an animal adventure, and bring it to the library to display.
5. Go on an outdoor alphabet hunt.
6. Attend a library event!
7. Read a magazine.
8. Put on a play with animal puppets.
9. Read in a fun place like under a tree or in a tent with a flashlight.
10. Read a nonfiction book about animals.
11. Tell a library person about a book you've read.
12. Explore a book that teaches you how to do something new. Try it and tell us about it!
13. Complete a Creation Station project, available at any of our five locations.

** You can share your activities with us by sending a picture or description to libraryyouthservices@lacrossecounty.org. We may choose some pictures to post on social media.*
