

Electronics (E-Waste)

Wisconsin's recycling law bans most E-waste from landfills and incinerators. Fortunately, these items contain valuable commodities that can be recovered. The La Crosse County Household Hazardous Materials (HHM) program accepts the following types of E-waste where they are managed for safe and responsible recycling. Use is free for La Crosse County residential customers unless otherwise noted below.

- Cell phones and digital cameras
- Computers (desktops, laptops, tablets)
- Computer peripherals (fax machines, hard drives, keyboards, mice, printers, scanners, speakers)
- TVs and computer monitors (**fees apply**)
- Video devices (cable and satellite receivers, DVD players, gaming consoles, VCRs, etc.)

Additional E-waste collection sites can be found [here](#).
