

LA CROSSE COUNTY

## LA CROSSE COUNTY CAMPGROUND SEASONAL WAITING LIST POLICY

La Crosse County limits the number of seasonal campsites at both Goose Island and Veterans Memorial Campgrounds. The current number of allowable seasonal sites is full. Due to the number of requests for this type of site, a waiting list is kept and maintained by the La Crosse County Facilities Dept.

### ***TO BE PLACED ON THE WAITING LIST:***

- A written request (email preferred) must be received by the La Crosse County Facilities Department. The request must include your name, address, phone number, type of camping unit and the campground name at which you request a seasonal campsite.
- Upon receipt of the written request, the Facilities Department will place your name on the waiting list. Confirmation of your placement on the waiting list will be provided via email.
- Requestor is responsible to keep La Crosse County Facilities Department apprised of their contact information.

### ***HOW VACANCIES ARE FILLED:***

- Goose Island Campground (operates under reservation system) and Veterans Memorial Campground (no reservation system)
  - Vacancies are determined after the renewal deadline date.
    - Existing seasonal campers are given a deadline date each year for renewal of the campsite for the following year. If the renewal is not received by the deadline date, the seasonal campsite is forfeited, thus creating the vacancy.
  - Seasonal campsite vacancies will be offered first to existing seasonal campers who have submitted renewals that indicate they wish to make a site change and secondly to the waiting list.
    - The names of seasonal campers who indicate a site change request on the renewal contract will be placed in a drawing. Seasonal campers will be contacted for site choice per the order pulled in the drawing.
